LOUISIANA ETHICS ADMINISTRATION PROGRAM  
P.O. Box 4368  
Baton Rouge, Louisiana 70821

Dear Louisiana Board of Ethics:

I am writing to request an opinion in relation to Board appointment of the Baton Rouge Metropolitan Airport Board of Commission (BOC) and subsequent contractual agreement with said Commission member Company where they are employed.

As part of regular teaming and contractual agreements, Digital Engineering from time to time will enter into contractual arrangements with other engineering firms as a prime or as a subconsultant. Therefore, can Digital enter into an agreement with Company A where the Commission member is employed and a member of the BOC? The employee does not have ownership of any kind in Company A, just merely an employee. Therefore, we believe R.S.42:112.C and D should apply if such arrangement is deemed. Furthermore, if necessary, R.S.42:1120.4.4 should apply for said Commission member by recusal from voting on matter.

We look forward to your timely response.

Regards,
